Advanced Desktop Laser Performance

The FAXPHONE L100 combines the performance of a laser fax machine, laser printer and digital copier together for your small office or personal desktop. Incorporating the latest fax capabilities, a 19-page per minute laser print engine and a brand new copier function, this stylishly redesigned machine functions in the place of three devices.

With features such as a 30-sheet Automatic Document Feeder, 130 speed dials, Super G3 fax technology and a large 512-sheet fax memory, the FAXPHONE L100 surpasses single function fax machines.

Printed faxes and documents will both have the same results - quality laser output. The FAXPHONE L100 is the smart choice for desktop laser fax, print and copy performance.
