

# CAST

Starsys Cast Cart SXSCAST

The **flip-up side shelf** on MetroFlex or the **swing-out storage unit** on Metro Starsys provide additional work space. The overbridge shelf is also an optional accessory for the Metro Starsys cart.

MetroFlex Cast Cart MFHCAST

# CRITICAL CARE

Starsys Critical Care Cart SXSCCU

Designed to allow you to spend more time addressing patient needs, **these carts can hold everything** necessary to maintain the highest level of care. From an equipment shelf to overbridge shelves and utility poles that can properly place monitors for instant access.

MetroFlex Critical Care Cart MFHCCU

# COMPUTER

## METROFLEX ACCESSORY

Recessed side storage bins tilt out to provide easy access, keeping all necessary supplies at hand.

An easy access pull-out shelf for keyboard or CPU, removable drawer system, and hospital grade out-strip combine to create a **flexible work environment – and totally mobile – computer station.**

MetroFlex Computer Cart MFHCOM

Starsys Dressing Cart SXSDRS

# DRESSING

Allows **easy organization** and access to bandages, gauze, tapes and other supplies. MetroFlex provides a side-mounted waste basket to prevent the spread of bacteria. Metro Starsys provides a key lock for security when the cart is left in a common area.
