

**Kangoo® DualRac Cuff/Dumbbell Combo
Item #550900**

Rack holds up to 36 cuff weights, 16 dumbbells, and five 50-yd rolls of exercise band.

The unique cuff weight "sliding hook" system permits lateral positioning of hooks at any point.

Strong polycarbonate rods are inserted on an angle to provide the dumbbells with a backward lean.

The rack is covered in Formica for durability for easy cleaning. 3" swivel casters lock in place for easy mobility and positioning.

The DualRac hooks each handle up to three cuff weights deep, and up to 800 lbs. dispersed total.
